Compliance with the Restrictions is not a substitute for compliance with such ordinances and regulations. Please be advised that the Restrictions do not purport to list or describe each ordinance or regulation which may be applicable to a Lot located within the Property. Each Owner is advised to review all ordinances, requirements, regulations and encumbrances affecting the use and improvement of their Lot prior to submitting plans to the ACC for approval. Furthermore, approval by the ACC should not be construed by the Owner that any Improvement complies with the terms and provisions of any ordinances, requirements, regulations or encumbrances which may affect the Owner's Lot. Certain encumbrances may benefit parties whose interests are not addressed by the ACC.

In addition, for the purpose of obtaining any business or commercial license, neither the residence nor Lot will be considered open to the public. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) such activity is engaged in full or part-time; (y) such activity is intended to or does generate a profit; or (z) a license is required.

2.08 Noise. No exterior speakers, horns, whistles, bells, or other sound devices (other than security devices used exclusively for security purposes) shall be located, used, or placed on any of the Property. A fence or wall located on or near the dividing line between two (2) Lots and intended to benefit both Lots constitutes a "Party Wall" and, to the extent not inconsistent with the provisions of this *Section 2.26*, is subject to the general rules of law regarding party walls and liability for property damage due to negligence, willful acts, or omissions.

continuance of any encroachment by the Party Wall as a result of construction, repair, shifting, settlement, or movement in any portion of the Party Wall, so that the encroachment may remain undisturbed as long as the Party Wall stands. Each Lot is subject to a reciprocal easement for the maintenance, repair, replacement, or reconstruction of the Party Wall.

(b) Right to Repair. If the Party Wall is damaged or destroyed from any cause, the Owner of either Lot may repair or rebuild the Party Wall to its previous condition, and the Owners of both Lots, their successors and assigns, have the right to the full use of the repaired or rebuilt Party Wall.

(c) Maintenance Costs. The Owners of the adjoining Lots share equally the costs of repair, reconstruction, or replacement of the Party Wall, subject to the right of one Owner to call for larger contribution from the other under any rule of law regarding liability for negligence or willful, acts or omissions. If an Owner is responsible for damage to or destruction of the Party Wall, that Owner will bear the entire cost of repair, reconstruction, or replacement. If an Owner fails or refuses to pay his share of costs of repair or replacement of the Party Wall, the Owner advancing monies has a right to file a claim of lien for the monies advanced in the Official Public Records of Bell County, Texas, and has the right to foreclose the lien as if it were a mechanic's lien. The right of an Owner to require contribution from another Owner under this *Section 2.26* is appurtenant to the Lot and passes to the Owner's successors in title.

(d) Alterations. The Owner of a Lot sharing a Party Wall may not cut openings in the Party Wall or alter or change the Party Wall in any manner that affects the use, condition, or appearance of the Party Wall to the adjoining Lot. Owners shall place these containers for collection only in the designated areas and only on the day these refuse materials are to be collected. Empty containers shall be removed promptly after collection.

2.31 Declarant and Homebuilder Exemption. The provisions of this Article are intended to restrict certain uses that may be harmful or affect the ambience or aesthetic appeal of the Property; the restrictions are not intended to prohibit the Declarant or Homebuilders from performing such work as may be necessary for the development of the Property or the construction of Improvements thereon. by the ACC. All roof colors will be compatible and harmonious with the subdivision. Any other type of roofing material shall be permitted only with, the advance written approval of the ACC. In addition, roofs of buildings may be constructed with "Energy Efficiency Roofing" with the advance written, approval of the ACC. For the purpose of this *Section 3.12*, "Energy Efficiency Roofing" means shingles that are designed primarily to: (i) be wind and hail resistant; (ii) provide heating and cooling efficiencies greater than those provided by customary composite shingles; or (iii) provide solar generation capabilities. The ACC will not prohibit an Owner from installing Energy Efficient Roofing provided that the Energy Efficient Roofing shingles: (i) resemble the shingles used or otherwise authorized for use within the community; (ii) are more durable than, and are of equal or superior quality to, the shingles used or otherwise authorized for use within the community; and (iii) match the aesthetics of adjacent property. An Owner who desires to install Energy Efficient Roofing will be required to comply with the architectural review and approval procedures set forth the Restrictions. 3.14 Solar Energy Device. During the Development Period this *Section 3.14* does not apply and the Declarant must approve in advance and in writing the installation of any Solar Energy Device. Until expiration or termination of the Development Period, the Declarant may prohibit the installation of any Solar Energy Device. After expiration or termination of the Development Period, Solar Energy Devices may be installed with the advance written approval of the ACC in accordance with the procedures set forth below.

(a) Application. To obtain ACC approval of a Solar Energy Device, the Owner shall provide the ACC with the following information: (i) the proposed installation location of the Solar Energy Device; and (ii) a description of the Solar Energy Device, including the dimensions, manufacturer, and photograph or other accurate depiction (the "Solar Application"). Only an Owner may only submit a Solar Application. The Solar Application shall be submitted in accordance with the provisions of *Article 7* of this Declaration.

(b) Approval Process. The ACC will review the Solar Application in accordance with the terms and provisions of *Article 7* of this Declaration. The ACC will approve a Solar Energy Device if the Solar Application complies with *Section 3.14(c)* below UNLESS the ACC makes a written determination that placement of the Solar Energy Device, despite compliance with *Section 3.14(c)*, will create a condition that substantially interferes with the use and enjoyment of property within the Property by causing unreasonable discomfort or annoyance to persons of ordinary sensibilities. The ACC's right to make a written determination in accordance with the foregoing sentence is negated if all Owners of Lots immediately adjacent to the Owner/applicant provide written approval of the proposed placement. Any proposal to install a Solar Energy Device on property owned or maintained by the Association or property owned in common by Members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.14* when considering any such request.

(c) **Approval Conditions.** Unless otherwise approved in advance and in writing by the ACC, each Solar Application and each Solar Energy Device to be installed in accordance therewith must comply with the following:

(i) The Solar Energy Device must be located on the roof of the residence located on the Owner's Lot, entirely within a fenced area of the Owner's Lot, or entirely within a fenced patio located on the Owner's Lot. If the Solar Energy Device will be located on the roof of the residence, the ACC may designate the location for placement unless the location proposed by the Owner increases the estimated annual energy production of the Solar Energy Device, as determined by using a publicly available modeling tool provided by the National Renewable Energy Laboratory, by more than 10 percent above the energy production of the Solar Energy Device if installed in the location designated by the ACC. If the Owner desires to contest the alternate location proposed by the ACC, the Owner should submit information to the ACC which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of the Owner's Lot or patio, no portion of the Solar Energy Device may extend above the fence line.

(ii) If the Solar Energy Device is mounted on the roof of the principal residence located on the Owner's Lot, then: (a) the Solar Energy Device may not extend higher than or beyond the roofline; (b) the Solar Energy Device must conform to the slope of the roof and the top edge of the Solar Device must be parallel to the roofline; (c) the frame, support brackets, visible piping or wiring associated with the Solar Energy Device must be silver, bronze or black.

3.15 Rainwater Harvesting Systems. Rain barrels or rainwater harvesting systems (a "Rainwater Harvesting System") may be installed with the advance written approval of the ACC.

A Rain System Application may only be submitted by an Owner.

(b) **Approval Process.** The decision of the ACC will be made in accordance with *Article 7* of this Declaration. Any proposal to install a Rainwater Harvesting System on property owned by the Association or property owned in common by Members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.15* when considering any such request.

(c) **Approval Conditions.** Unless otherwise approved in advance and in writing by the ACC, each Rain System Application and each Rainwater Harvesting System to be installed in accordance therewith must comply with the following:

(i) The Rainwater Harvesting System must be consistent with the color scheme of the residence constructed on the Owner's Lot, as reasonably determined by the ACC.

(ii) The Rainwater Harvesting System does not include any language or other content that is not typically displayed on such a device.

(iii) The Rainwater Harvesting System is in no event located between the front of the residence constructed on the Owner's Lot and any adjoining or adjacent street.

(iv) There is sufficient area on the Owner's Lot to install the Rainwater Harvesting System, as reasonably determined by the ACC.

(d) **Guidelines.** If the Rainwater Harvesting System will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, the Common Area, or another Owner's Lot, the ACC may regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System. Accordingly, when submitting a Rain System Application, the application should describe methods proposed by the Owner to shield the Rainwater Harvesting System from the view of any street, Common Area, or another Owner's Lot. When reviewing a Rain System Application for a Rainwater Harvesting System that will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, the Common Area, or another Owner's Lot, any additional requirements imposed by the ACC to regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System, may not prohibit the economic installation of the Rainwater Harvesting System, as reasonably determined by the ACC.

3.16 Landscaping. Within 90 days of completion of a new Residence, the Owner of each Lot shall have the Lot fully landscaped to include a fully sodded yard, trees, plants, shrubbery, or other landscaping improvements. All landscaping should fit the harmony and design guidelines of the subdivision and must be approved by the ACC. Decorative ground cover rock and mulch shall not exceed 10% of the total area. Allowances can be made for areas left in their natural state depending upon their appearances and subject to the express approval of the ACC. Each Lot on which a Residence is constructed shall have an underground water sprinkler system for the purpose of providing sufficient water to preserve and maintain the landscaping in a healthy, attractive condition.

3.17 Height Restrictions. No building or structure erected, altered or placed on or within the Property shall exceed two (2) standard stories in height, provided, however, that all applicable ordinances, regulations, and statutes with respect to the maximum height of buildings and structures shall be complied with at all time.

3.18 Driveways. Driveway on each Lot must be constructed of washed concrete, brick, stone, or similar substance which must be approved by the ACC. All other materials and finishes are prohibited. Each driveway must accommodate two vehicles in front of the garage for offstreet parking requirements.

The driveway turnout shall be constructed in such manner as to provide an attractive transitional radius from the curb and gutter into the driveway entrance and shall prevent escape of drainage water from the street onto any Lots.

3.19 Guest house, Party House, and Pool Houses. One guest/pool house may be built provided said guest/pool house contains no less than five hundred (500) square feet, nor more than one thousand two hundred (1,200) square feet and is built after or at the time the main dwelling is built and has prior approval of the ACC. Guest/Pool houses must meet all other restriction requirements.

- (i) Parks, parkways or other recreational facilities or structures;
- (ii) Roads, streets, sidewalks, signs, street lights, walks, driveways, trails and paths;
- (iii) Lines, cables, wires, conduits, pipelines or other devices for utility purposes;
- (iv) Sewers, water systems, storm water drainage systems, sprinkler systems and pipelines; and/or
- (v) Any similar Improvements or facilities.

Nothing set forth above, however, will be construed to permit use or occupancy of any Improvement or other facility in a way that would violate applicable use and occupancy restrictions imposed by the Restrictions or by Applicable Law. In addition, until expiration or termination of the Development Period, any grant or conveyance under this *Section 4.05(g)* must be approved in advance and in writing by the Declarant.

(h) Manager. To retain and pay for the services of a person, or firm (the "Manager"), which may include Declarant or any affiliate of Declarant, to manage and operate the Association, including its property, to the extent deemed advisable by the Board. Personnel may be employed directly by the Association or may be furnished by the Manager. Each contract entered into between the Association and the Manager will be terminable by the Association without cause upon sixty (60) days written notice to the Manager. To the extent permitted by Applicable Law, the Board may delegate any other duties, powers and functions to the Manager. In addition, the Board may adopt transfer fees, resale certificate fees or any other fees associated with the provision of management services to the Association or its Members. **THE MEMBERS HEREBY RELEASE THE ASSOCIATION AND THE MEMBERS OF THE BOARD AND COMMITTEE MEMBERS FROM LIABILITY FOR ANY OMISSION OR IMPROPER EXERCISE BY THE MANAGER OF ANY SUCH DUTY, POWER OR FUNCTION SO DELEGATED.**

(i) Property-Services. To pay for water, sewer, garbage removal, street lights, landscaping, gardening and all other utilities, services, repair and maintenance for any portion of the Property, Common Area, private or public recreational facilities, easements, roads, roadways, rights-of-ways, signs, parks, parkways, median ships, sidewalks, paths, trails, ponds, and lakes.

(j) Other Services and Properties. To obtain and pay for any other property and services, and to pay any other taxes or assessments that the Association or the Board is required or permitted to secure or to pay for pursuant to Applicable Law or under the terms of the Restrictions or as determined by the Board.

(k) Construction on Common Area. To construct new Improvements or additions to any property owned, leased, or licensed, by the Association, subject to the approval of the Board and the Declarant until expiration or termination of the Development Period.

(l) Contracts. To enter into Bulk Rate Contracts or other contracts or licenses with Declarant or any third party on such terms and provisions as the Board will determine to operate and maintain any Common Area or other property, or to provide any service, including but not limited to cable, utility, or telecommunication services, or perform any function on behalf of Declarant, the Board, the Association, or the Members. During the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant.

(m) Property Ownership. To acquire, own and dispose of all manner of real and personal property, including habitat, whether by grant, lease, easement, gift or otherwise. During the Development Period, all acquisitions and dispositions of the Association hereunder must be approved in advance and in writing by the Declarant.

(n) Allocation of Votes. To determine votes when permitted pursuant to *Section 4.04* above.

(o) Membership Privileges. To establish Rules governing and limiting the use of the Common Area and any Improvements thereon.

4.06 Acceptance of Common Area. The Association may acquire, hold, and dispose of any interest in tangible and intangible personal property and real property. Declarant and its assignees may transfer or convey to the Association interests in real or personal property within or for the benefit of the Property, or the Property and the general public, and the Association will accept such transfers and conveyances. Such property may be improved or unimproved and may consist of fee simple title, easements, leases, licenses, or other real or personal property interests. Such property will be accepted by the Association and thereafter will be maintained as Common Area by the Association for the benefit of the Property and/or the general public subject to any restrictions set forth in the deed or other instrument transferring or assigning such property to the Association. Upon Declarant's written request, the Association will re-convey to Declarant any unimproved real property that Declarant originally conveyed to the Association, as determined in the sole and absolute discretion of the Declarant.

4.07 Maintenance of Common Area. The Association shall be responsible for the management, maintenance, repair and replacement of the Common Area, and all Improvements located thereon. This service shall also include the maintenance and ongoing electricity for seven (7) of the streetlights being provided and installed by the Declarant within the Project.

4.08 Indemnification. To the fullest extent permitted by Applicable Law but without duplication (and subject to) any rights or benefits arising under the Certificate or Bylaws of the Association, the Association, will indemnify any person who was, or is, a party, or is threatened to be made a party to any threatened pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he is, or was, a director, officer, committee member, employee, servant or agent of the Association against expenses, including attorneys' fees, reasonably incurred by him in connection with such action, suit or proceeding if it is found and determined by the Board or a court of competent jurisdiction that he or she: (i) acted in good faith and in a manner he or she reasonably believed, to be in, or not opposed to, the best interests of the Association; or (ii) with respect to any criminal action or proceeding, had no reasonable cause to

believe his or her conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of *nolo contendere* or its equivalent, will not of itself create a presumption that the person did not act in good faith or in a manner which was reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

4.09 Insurance. The Board may purchase and cause to be maintained, at the expense of the Association, insurance on behalf of any person who is acting as a director, officer, committee member, employee, servant or agent of the Association against any liability asserted against or incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against such liability or otherwise.

4.10 Bulk Rate Contracts. Without limitation on the generality of the Association powers set out in Section 4.05 hereinabove (except that during the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant), the Association will have the power to enter into Bulk Rate Contracts at any time and from time to time. The Association may enter into Bulk Rate Contracts with any service providers chosen by the Board (including Declarant, and/or any entities in which Declarant, or the owners or partners of Declarant are owners or participants, directly or indirectly). The Bulk Rate Contracts may be entered into on such terms and provisions as the Board may determine in its sole and absolute discretion. The Association may, at its option and election, add the charges payable by such Owner under such Bulk Rate Contract to the Assessments against such Owner's Lot. In this regard, it is agreed and understood that, if any Owner fails to pay any charges due by such Owner under the terms of any Bulk Rate Contract, then the Association will be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Declaration with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose the Men against such Owner's Lot which is reserved under the terms and provisions of this Declaration. In addition, in the event of nonpayment by any Owner of any charges due under any Bulk Rate Contract and after the lapse of at least twelve (12) days since such charges were due, the Association may, upon five (5) days' prior written notice to such Owner (which may run concurrently with such 12 day period), in addition to all other rights and remedies available pursuant to Applicable Law, terminate, in such manner as the Board deems appropriate, any utility service or other service provided at the cost of the Association and not paid for by such Owner (or the Resident of such Owner's Lot) directly to the applicable service or utility provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner (or the Resident of such Owner's Lot) can make arrangements for payment of the bill and for re-connection or re-institution of service. No utility or cable television service will be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services.

4.11 Community Systems. The Association is specifically authorized to provide, or to enter into contracts to provide Community Systems. Any such contracts may provide for installation, operation, management, maintenance, and upgrades or modifications to the Community Systems as the Board determines appropriate. Each Owner acknowledges that interruptions in Community Systems and services will occur from time to time. Declarant and the Association, or any of their respective successors or assigns shall not be liable for, and no Community System or service user shall be entitled to refund, rebate, discount, or offset in applicable fees for, any interruption in Community

Systems and services, regardless of whether or not such interruption is caused by reasons within the service provider's control.

4.12 Declarant's Right to Contribute to Revenues of the Association. Declarant shall have the right, but not the obligation, in its sole discretion and from time to time, to contribute to the revenues of the Association. At the option of Declarant, such contribution may be reflected on the books and records of the Association as a loan, in which event it shall be repaid by the Association to Declarant, at the discretion of Declarant. If treated as a loan, the contribution shall accrue interest, compounded monthly, from the date it is made until the date of its repayment, at the short term Applicable Federal Rate ("AFR"), as published by the Internal Revenue Service, and adjusted each month to reflect the AFR for such month.

4.13 Protection of Declarant's Interests. Despite any assumption of control of the Board by Owners other than Declarant, until the expiration or termination of the Development Period, the Board is prohibited from taking any action which would discriminate against Declarant, or which would be detrimental to the sale of Lots owned by Declarant. Declarant shall be entitled to determine, in its sole and absolute discretion, whether any such action discriminates or is detrimental to Declarant. The Board will be required to continue the same level and quality of maintenance, operations and services as that provided immediately prior to assumption of control of the Board by Owners other than Declarant until the expiration or termination of the Development Period.

4.14 Administration of Common Area. The administration of the Common Area by the Association shall be in accordance with the provisions of Applicable Law and the Restrictions, and of any other agreements/ documents, amendments or supplements to the foregoing which may be duly adopted or subsequently required by any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans (including, for example, the Federal Home Loan Mortgage Corporation) designated by Declarant or by any governmental or quasi-governmental agency having regulatory jurisdiction over the Common Area or by any title insurance company selected by Declarant to insure title to any portion of the Common Area.

4.15 Notices and Disclaimers as to Security Systems. NEITHER THE DECLARANT, A HOMEBUILDER, NOR THE ASSOCIATION, OR THEIR SUCCESSORS OR ASSIGNS GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH SECURITY SYSTEM OR SERVICES, OR THAT ANY SYSTEM OR SERVICES WILL PREVENT INTRUSIONS, NOTIFY AUTHORITIES OF FIRES OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH OCCURRENCES, REGARDLESS OF WHETHER OR NOT THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR SAME; AND EVERY OWNER OR RESIDENT OF PROPERTY RECEIVING SECURITY SERVICES THROUGH THE COMMUNITY SYSTEMS ACKNOWLEDGES THAT NEITHER THE DECLARANT, A HOMEBUILDER, NOR THE ASSOCIATION, OR ANY OF THEIR SUCCESSORS OR ASSIGNS, ARE INSURERS OF THE OWNER OR RESIDENT'S PROPERTY OR OF THE PROPERTY OF OTHERS LOCATED ON THE LOT AND WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES, INJURIES OR DEATHS RESULTING FROM SUCH OCCURRENCES. It is extremely difficult and impractical to determine the actual damages, if any, which may proximately result from a failure on the part of a security service provider to perform any of its obligations with respect to security services and, therefore, every Owner or Resident of property receiving security services through the Community Systems agrees that neither the Declarant, a Homebuilder, nor the Association, or their successors or assigns assumes liability for loss or damage to property or for personal injury or death to persons due to any reason, including, without

limitation, failure in transmission of an alarm, interruption of security service or failure to respond to an alarm because of: (a) any failure of the Owner's security system; (b) any defective or damaged equipment, device, line or circuit; (c) negligence, active or otherwise, of the security service provider or its officers, agents or employees; or (d) fire, flood, riot, war, act of God or other similar causes which are beyond the control of the security service provider. Every Owner and Resident obtaining security services through the Community Systems further agrees for himself, his grantees, tenants, guests, invitees, licensees and family members that if any loss or damage should result from a failure of performance or operation, or from defective performance or operation, or from improper installation, monitoring or servicing of the system, or from negligence, active or otherwise, of the security service provider or its officers, agents, or employees, the liability, if any, of the Declarant, a Homebuilder, the Association, or their successors or assigns for loss, damage, injury or death shall be limited to a sum not exceeding Two Hundred Fifty U.S. Dollars (\$250.00), which limitations apply irrespective of the cause or origin of the loss or damage and notwithstanding that the loss or damage results directly or indirectly from negligent performance, active or otherwise, or non-performance by an officer, agent or employee of Declarant, a Homebuilder, or the Association, or their successors or assigns. Further, in no event will Declarant, a Homebuilder, the Association, or their successors or assigns be liable for consequential damages, wrongful death, personal injury or commercial loss.

ARTICLE 5

INSURANCE

5.01 Insurance. Each Owner will be required to purchase and maintain commercially standard insurance on the Improvements located upon such Owner's Lot. The Association will not be required to maintain insurance on the Improvements constructed upon any Lot. The Association may, however, obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board, in its discretion, may deem necessary, insurance premiums for such policies will be a common expense to be included in the assessments levied by the Association. The acquisition of insurance by the Association will be without prejudice to the right and obligation of any Owner to obtain additional individual insurance.

5.02 Restoration. In the event of any fire or other casualty, unless otherwise approved by the ACC the Owner will promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof. Such repair, restoration or replacement will be commenced and completed in a good and workmanlike manner using exterior materials identical to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within one hundred and twenty (120) days after the occurrence of such damage or destruction, and thereafter prosecute same to completion, or if the Owner does not clean up any debris resulting from any damage within thirty (30) days after the occurrence of such damage, the Association may commence, complete or effect such repair, restoration, replacement or clean-up, and such Owner will be personally liable to the Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed by Applicable Law from commencing such repair, restoration, replacement or clean-up, the rights of the Association under this provision will not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to

pay such cost upon demand by the Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1.50%) per month) will be added to the Assessment chargeable to the Owner's Lot, Any such amounts added to the Assessments chargeable against a Lot will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not titrated to, foreclosure of such liens against the

Owner's Lot. EACH SUCH OWNER WILL INDEMNIFY AND HOLD HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS *SECTION 5.02*, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.

5.03 Mechanic's and Materialmen's Lien. Each Owner whose structure is repaired, restored, replaced or cleaned up by the Association pursuant to the rights granted under this *Article 5*, hereby grants to the Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, or replacement of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration or replacement exceeds any insurance proceeds allocable to such repair, restoration or replacement and delivered to the Association, Upon request by the Board, and before the commencement of any reconstruction, repair, restoration or replacement, such Owner will execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association.

ARTICLE 6

COVENANT FOR ASSESSMENTS

6.01 Assessments.

(a) Established by Board. Assessments established by the Board pursuant to the provisions of this *Article 6* will be levied against each Lot in amounts determined pursuant to *Section 6.07* below. The total amount of Assessments will be determined by the Board pursuant to *Section 6.03, 6.04, 6.05, 6.06 and/or 6.07.*

(b) Personal Obligation; Lien. Each Assessment, together with such interest thereon and costs of collection as hereinafter provided, will be the personal obligation of the Owner of the Lot against which the Assessment is levied and will be secured by a lien hereby granted and conveyed by Declarant to the Association against each such Lot and all Improvements thereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article,

(c) Declarant Subsidy. Declarant may, but is not obligated to, reduce Assessments which would otherwise be levied, against Lots for any fiscal year by the payment of a subsidy to the Association. Any subsidy paid to the Association by Declarant may be treated as a contribution or a loan, in Declarant's sole and absolute discretion. The payment of a subsidy in any given year will not obligate Declarant to continue payment of a subsidy to the Association in future years,

6.02 Maintenance Fund. The Board will establish a maintenance fund into which will be deposited all monies paid to the Association and from which disbursements will be made in performing the functions of the Association under this Declaration. The funds of the Association may be used for any purpose authorized by the Restrictions and Applicable Law.

6.03 Regular Annual Assessments. The initial annual assessment will be \$1,200 per year. Prior to the beginning of each fiscal year, the Board will estimate the expenses to be incurred by the Association during such year in performing its functions and exercising its powers under the Restrictions, including,

but not limited to, the cost of all management, repair and maintenance, the cost of providing street and other lighting, the cost of administering and enforcing the Restrictions, and will estimate the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, and will give due consideration to any expected income and any surplus from the prior year's fund. Assessments sufficient to pay such estimated net expenses will then be levied at the level of Assessments set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, the Association may at any time, and from time to time, levy further Assessments. Any Assessments will be due and payable to the Association annually on or before the first day of the month at the beginning of the fiscal year, or in such other manner as the Board may designate in its sole and absolute discretion.

6.04 Working Capital Assessment. Each Owner (other than Declarant) of a Lot will pay a one-time working capital assessment to the Association in such amount as may be determined by the Board from time to time in its sole and absolute discretion. Such working capital assessment need not be uniform among all Lots, and the Board is expressly authorized to levy working capital assessments of varying amounts depending on the size, use and general character of the Lots then being made subject to such levy. The levy of any working capital assessment will be effective only upon the Recordation of a written notice, signed by a duly authorized officer of the Association, setting forth the amount of the working capital assessment and the Lots to which it applies.

Notwithstanding the foregoing provision, the following transfers will not be subject to the working capital assessment: (i) foreclosure of a deed of trust lien, tax lien, or the Association's assessment lien; (ii) transfer to, from, or by the Association; (iii) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent. Additionally, an Owner who (i) is a Homebuilder; or (ii) acquires a Lot for the purpose of resale to a Homebuilder (a "Development Owner") will not be subject to the working capital assessment; however, the working capital assessment will be payable by any Owner who acquires a Lot from a Homebuilder or Development Owner for residential living purposes or by any Owner who: (i) acquires a Lot and is not in the business of constructing single-family residences for resale to a third party; or (ii) who acquires the Lot for any purpose other than constructing a single-family residence thereon for resale to a third party. In the event of any dispute regarding the application of the working capital assessment to a particular Owner, the Declarant during the Development Period, and thereafter the Board's, determination regarding the application of the exception will be binding and conclusive without regard to any contrary interpretation of this *Section 6.04*. The working capital assessment will be in addition to, not in lieu of, any other assessments levied in accordance with this *Article 6* and will not be considered an advance payment of such assessments. The working capital assessment hereunder will be due and payable by the transferee to the Association immediately upon each transfer of title to the Lot, including upon transfer of title from one Owner of such Lot to any subsequent-purchaser or transferee thereof. The Declarant during the Development Period, and thereafter the Board, will have the power to waive the payment of any working capital assessment attributable to a Lot (or all Lots) by the Recordation of a waiver notice, which waiver may be temporary or permanent.

6.05 Special Assessments. In addition to the regular annual Assessments provided for above, the Board may levy special Assessments whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the functions of the Association under the Restrictions. The amount of any special Assessments will be at the reasonable discretion of the Board. In addition to the special Assessments authorized above, the Association may, in any fiscal year, levy a special Assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area.

6.06 Individual Assessments. In addition to any other Assessments, the Board may levy an Individual Assessment against an Owner and the Owner's Lot. Individual Assessments may include, but are not

limited to: interest, late charges, and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner's Lot into compliance with the Declaration; fines for violations of the Restrictions; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; insurance deductibles; reimbursement for damage or waste caused by willful or negligent acts of the Owner, the Owner's guests, invitees or Residents of the Owner's Lot; common expenses that benefit fewer than all of the Lots, which may be assessed according to benefit received; fees or charges levied against the Association on a per-Lot basis; and "pass through" expenses for services to Lots provided through the Association and which are equitably paid by each Lot according to the benefit received.

6.07 Amount of Assessment.

Assessments to be Levied. The Board shall levy Assessments against each "Assessment Unit" (as defined below). Unless otherwise provided in this Declaration, Assessments levied pursuant to *Section 6.03* and *Section 6.05* shall be levied uniformly against each Assessment Unit allocated to a Lot.

Assessment Unit. Each Lot shall constitute one "Assessment Unit" unless otherwise provided in *Section 6.07(c)* and *(d)*.

Assessment Exemption. Notwithstanding anything in this Declaration to the contrary, no Assessments shall be levied upon Lots owned by Declarant.

Other Exemptions. Declarant may, in its sole discretion, elect to: (i) exempt any un-platted or unimproved portion of the Property or any Lot from any Assessments levied or charged pursuant to this *Article 6*; or (ii) delay the levy of Assessments against any unplatted or unimproved of the Property or any Lot; or (iii) reduce the levy of Assessments against any un-platted or unimproved portion of the Property or any Lot. Declarant or the Board may also exempt any portion of the Property which is dedicated and accepted by public authority from Assessments. In the event Declarant elects to delay or reduce Assessments pursuant to this Section, the duration of the delay or the amount of the reduction will be set forth, in a written instrument signed by Declarant. Declarant may terminate, extend or modify any delay or reduction,

Late Charges. If any Assessment is not paid by the due date applicable thereto, the Owner responsible for the payment may be required by the Board, at the Board's election at any time and from time to time, to pay a late charge in such amount as the Board may designate, and the late charge (and any reasonable handling costs) will be levied as an Individual Assessment against the Lot owned by such Owner, collectible in the manner as provided for collection of Assessments, including foreclosure of the lien against such Lot; provided, however, such charge will never exceed the maximum charge permitted under Applicable Law.

Transfer Fee. Each Purchaser of a Lot from any person or entity other than the Declarant shall pay to the Association a transfer fee immediately upon transfer of ownership, in such amount as is established from time to time by the Board.

Owner's Personal Obligation: Interest. Assessments levied as provided for herein will be the personal and individual debt of the Owner of the Lot against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot will be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date therefor (or if there is no such highest rate, then at the rate of one and one half percent (1 1/2%) per month), together with all costs and expenses of collection, including reasonable attorney's fees. Such amounts will be levied as an Individual Assessment against the Lot owned by such Owner.

Assessment Lien and Foreclosure. The payment of all sums assessed in the manner provided in this Article is, together with late charges as provided in *Section 6.08* and interest as provided in *Section 6.09* hereof and all costs of collection, including attorney's fees as herein provided, secured by the continuing Assessment lien granted to the Association pursuant to *Section 6.01(b)* above, and will bind each Lot in the hands of the Owner thereof, and such Owner's heirs, personal representatives, successors or assigns. The aforesaid lien will be superior to all other liens and charges against such Lot, except only for: (i) tax liens; (ii) all sums secured by a first mortgage lien or first deed of trust lien of record, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot in question and (iii) home equity loans or home equity lines of credit which are secured by a second mortgage lien or second deed of trust lien of record; provided that, in the case of subparagraphs (ii) and (iii) above, such Mortgage was Recorded before the delinquent Assessment was due. The Association will have the power to subordinate the aforesaid Assessment lien to any other lien. Such power will be entirely discretionary with the Board, and such subordination may be signed by an officer, agent, or attorney of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice may be signed by one of the officers, agents, or attorneys of the Association and will be Recorded. Each Owner, by accepting a deed or ownership interest to a Lot subject to this Declaration, will be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder. The Assessment liens and rights to foreclosure thereof will be in addition to and not in substitution of any other rights and remedies the Association may have by law and under this Declaration, including the rights of the Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien. In any foreclosure proceeding, such Owner will be required to pay the costs, expenses and reasonable attorney's fees incurred. The Association will have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association will report to said Mortgagee any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same are due. The lien hereunder will not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any lien superior to the Assessment lien, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments will be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this *Section 6.10*, the Association will, upon the request of the Owner, execute a release of lien relating to any lien for which written notice has been Recorded as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release will be signed by an officer, agent, or attorney of the Association. In addition to the lien hereby retained, in the event of nonpayment by any Owner of any Assessment and after the lapse of at least twelve (12) days since such payment was due, the Association may, upon five (5) days' prior written notice (which may run concurrently with such twelve (12) day period) to such Owner, in addition to all other rights and remedies available pursuant to Applicable Law, terminate, in such manner as the Board deems appropriate, any utility or cable service provided through the Association and not paid for directly by an Owner or Resident to the utility provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of disconnection, with, the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner or the Resident of the Owner's Lot can make arrangements for payment of the bill and for reconnection of service. Utility or cable service will not be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services. Except as otherwise provided by Applicable Law, the sale or

transfer of a Lot will not relieve the Owner of such Lot or such Owner's transferee from liability for any Assessments thereafter becoming due or from the lien associated therewith. If an Owner conveys its Lot and on the date of such conveyance Assessments against the Lot remain unpaid, or said Owner owes other sums or fees under this Declaration to the Association, the Owner will pay said amounts to the Association out of the sales price of the Lot, and such sums will be paid in preference to any other charges against the Lot other than liens superior to the Assessment lien and charges in favor of the State of Texas or a political subdivision thereof for taxes on the Lot which are due and unpaid. The Owner conveying such Lot will remain personally liable for all such sums until the same are fully paid, regardless of whether the transferee of the Lot also assumes the obligation to pay such amounts. The Board may adopt an administrative transfer fee to cover the expenses associated with updating the Association's records upon the transfer of a Lot to a third party; provided, however, that no transfer fee will be due upon the transfer of a Lot from Declarant to a third party.

Yes, the Association: *can* foreclose on your Lot! If you fail to pay assessments to the Association, you may lose title to your Lot if the Association forecloses its assessment lien.

6.08 Exempt Property. The following area within the Property will be exempt from the Assessments provided for in this Article:

All area dedicated and accepted by a public authority;
The Common Area; and
Any portion of the Property owned by Declarant.

6.09 Fines and Damages. Assessment.

Board Assessment. The Board may assess fines against an Owner for violations of the Restrictions which have been committed by an Owner, a Resident, or the Owner or Residents guests, agents or invitees. Any fine and/or charge for damage levied in accordance, with this *Section 6.12* will be considered an Individual Assessment pursuant to this Declaration. Each day of violation may be considered a separate violation if the violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area or any facilities caused by the Owner, Resident, or their guests, agents, or invitees. The Manager will have authority to send notices to alleged violators, informing them, of their violations and asking them to comply with the Rules and/or informing them of potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

Procedure. The procedure for assessment of fines and damage charges will be as follows:

The ACC may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact statements or percolation tests that may be required by the ACC or any other entity; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The ACC may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material, which the ACC, in its sole discretion, may require. Site plans must be approved by the ACC prior to the clearing of any Lot, or the construction of any Improvements. The ACC may refuse to approve plans and specifications for proposed Improvements, or for the re-subdivision or consolidation of any Lot on any grounds that, in the sole and absolute discretion of the ACC, are deemed sufficient, including, but not limited to, purely aesthetic grounds.

In the event of any conflict between the terms and provisions of the Design Guidelines and the terms and provisions of this Declaration, the terms and provisions of this Declaration will control. In addition, the ACC will have the power and authority to impose a fee for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such charges will be held by the ACC and used, to defray the administrative expenses incurred by the ACC in performing its duties hereunder; provided, however, that any excess funds held by the ACC will be distributed to the Association at the end of each calendar year. The ACC will not be required to review any plans until a complete submittal package, as required by this Declaration and the Design Guidelines, is assembled and submitted to the ACC. The ACC will have the authority to adopt such additional procedural and substantive rules and guidelines (including, without limitation, the imposition of any requirements for certificates of compliance or completion relating to any Improvement and the right to approve in advance any contractor selected for the construction of Improvements), not in conflict with this Declaration, as it may deem necessary) or appropriate in connection with the performance of its duties hereunder.

The ACC may grant variances from compliance with any of the provisions of the Design Guidelines or this Declaration, when, in the opinion of the ACC, in its sole and absolute discretion, such variance is justified. All variances must be evidenced in writing and must be signed by at least a Majority of the members of the ACC. Each variance must also be Recorded; provided however, that failure to record a variance will not affect the validity thereof or give rise to any claim or cause of action against the ACC, including the Declarant or its designee, the Association, or the Board. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Design Guidelines will be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance will not operate to waive or amend, any of the terms and provisions of this Declaration or file Design Guidelines for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance will not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions of this Declaration or the Design Guidelines.

(h) Duration of Approval. Unless otherwise directed by the ACC, the approval of the ACC of any plans and specifications, and any variances granted by the ACC, will be valid for a period of one hundred and eighty (180) days only. (h) No Waiver of Future Approvals. The approval of the ACC to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the ACC will not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor will such approval or consent be deemed to establish a precedent for future approvals by the ACC.

(i) Fee. The ACC may establish a reasonable processing fee to defer the costs of considering any request for approvals submitted to it, which fee shall be paid at the time the request for approval is submitted. The ACC may employ an architect and/or other design professionals and the fee for such services shall be included in the review fees.
